PROVIDING FEEDBACK TO PRESENTERS

As part of ensuring we can include as many meaningful presentations as possible within the time allotted for the symposium, we ask that you use the **Feedback P number** on the agenda, which corresponds to a given presentation; in order to submit any questions/comments you may have.

Following the symposium, this feedback will be shared with each of the presenters, therefore we ask that you include your email contact in your feedback.

Please entitle your email '**Symposium feedback**' and use the following email address to forward your feedback: nhsi.inclusion@nhs.net
